

Ski the U.P.

November 6, 2015

Dear Passholder:

The 2015-2016 ski and snowboard season is nearly upon us and soon we will smell snow in the air! Our four resorts are excited to welcome you to an epic opportunity like no other in the U.P. Your season pass at Marquette Mountain, Mont Ripley, Big Powderhorn Mountain or Pine Mountain now not only entitles you to a FREE lift ticket at each of the other three resorts, but you will also receive a 25% discount on all subsequent visits at each of the other three resorts! Additionally, choose a two-day lift ticket and receive a 50% discount. There are no restrictions or black-out dates on this offer. However, the offer is extended to the passholder only, limit of one discounted ticket per passholder, per visit. Simply provide your photo ID at the ticket office and receive your FREE or discounted ticket all season long.

The Ski the U.P. group encourages you to travel the U.P. and experience all that our four cooperating resorts have to offer...great conditions for skiing and boarding, lodging, dining and more! We look forward to working together for you, our valued customers, to bring fun and excitement to your stay at each of our resorts. We will strive to add additional benefits to your season pass in the future including four seasons of opportunity!

We look forward to seeing you this ski season and beyond and making new friends from all four resorts! We can't wait to "Ski the U.P." with you!

Sincerely,

Ski the U.P.
